## REPORTS FROM THE FLOOR

Dave Prosser for Sharon – Remember to check club web site before coming out to club to be aware of range status. Upcoming events are posted on web site. A private pistol clinic was held at MSA 5/27 for Amp nimrods, there were 12 students attending, the club received a profit of \$440.00. The next WOT clinic is June 17, there are still openings for this clinic. Hours are 8am – 2pm. The cost is \$50.00 per student.

KEVIN WISE – TRAP This is an open event, dates on times on web site and Clubhouse BB.

DENNIS FILLMORE – Introduced John Atticks who runs the Kitchen to membership. The Block Shoots had a good turn out and realized a profit for the year of \$9,000.00. Dennis told membership of club's Co-op trout nursery.

JIM WEIGHER – POND - There is a 3 trout limit, catch and release for Bass. Rules for the Pond posted at pond, please do not liter. The pond has received 3 treatments so far this year.

JOHN FUNK – Informed members of a new resolution from the UN on firearms, this could be a future problem for gun owners. Would like to inform complete membership through web site and October Newsletter.

JOHN McNAUGHTON – Reported on road to lower ranges is in bad shape, asked that it be addressed. Also concerned about people coming onto club during scheduled events that are not members and not participating in the event getting trapped on grounds. Would like rubber backers considered for ranges

as they last longer. Russ Brooks replied that rubber is very hard to obtain but has replaced wood with rubber on some ranges. John continued , shotgun range backers very bad and need replaced. Asked about the possibility of Steel Spinners being installed on some of the ranges, NRA would probably assist with the cost. This will be brought to the BOD at next BOD meeting for discussion, it was passed on that there was next to no positive response to this proposal, but will be brought up anyway.

BOB DUNN – Went over guest policy cost, has passes available, see Bob. Went over club grounds renting policy also.

THERE WAS ON OLD OR NEW BUSINESS
