Club Facilities Ground & Range Rules

WELCOME to the Mechanicsburg Sportsmen's Association. The Officers and Directors appreciate your membership and encourage you to come out to enjoy the variety of activities scheduled through the year. We hope this handbook will answer your questions about what the club has to offer and how the facility may be utilized. We encourage you to contact any of the Officers or Directors if you require additional information, have a suggestion for improvements or activities, or need to report a problem.

Come out and enjoy the facilities. Your participation in club meetings and functions is what makes this Association successful. Please remember to practice safety and good sportsmanship at all times.

THANK YOU for joining the Mechanicsburg Sportsmen's Association!

IT WOULD BE GREATLY APPRECIATED IF YOU WERE TO VOLUNTEER TO HELP WITH FUND-RAISING EVENTS HELD DURING THE YEAR. YOUR MEMBERSHIP DUES PROVIDE ONLY PART OF THE FUNDING NEEDED TO MEET THE OPERATING EXPENSES OF THIS CLUB.

A Little History

The Mechanicsburg Sportsmen's Protective Association was incorporated July 7, 1949. The club is situated on 153 acres purchased October 15, 1956 for \$5,400. \$8000 was borrowed to purchase the land, construct the pond, and build the original club house. The original mortgage was paid off on May 11, 1966. Over the years the club house was enlarged, improvements were made to the rifle and archery ranges. Trees were lumbered to raise money and thin out the forest. Improvements were made to the pond. In 1972 we built a trout nursery on Trindle Run on Mechanicsburg Water Company land. In the mid-70's the old cabin was torn down and replaced with a new garage and pavilion. In the mid-80's we began hosting a Children's Fishing Derby. In 1989 many new improvements were started. Outdoor restrooms were constructed and 3 new field archery courses were built. In 1990, the courses were completed and the entrance road paved to support hosting Pennsylvania State archery shoots. Safety baffles were installed on the 25- and 50-yard rifle ranges. In 1994, a new trap field was constructed which included adding a fully automatic trap. The archery practice field was rebuilt with new archery butts. In 1992, we cemented the outdoor pavilion floor and the 25- and 50-yard rifle ranges. We continued improvements in 1997 by paving the lower parking lot. The 10 acre trout nursery tract of land was purchased in 1998. Following this purchase we rebuilt the raceways in 2000. Reconstruction of the 25-, 50-, and 100-yard ranges took place in mid-1990's. The new clubhouse with its indoor center fire pistol range was constructed in 1999. Thanks to a grant from the NRA, the indoor pistol range became a great feature of our club. Two additional traps with lighted fields were also added at this time. A need for a pavilion down near the pond was determined and it was later built in 2000.

Mechanicsburg Sportsmen's Protective Association began to offer NRA-certified firearm classes in mid-1990's. As a club we are members of the Pennsylvania Federation of Sportsmen's Clubs (PFSC), National Rifle Association (NRA), Civilian Marksmanship Program (CMP), Pennsylvania Rifle and Pistol Association (PRPA), Amateur Trap Association (ATA), Pennsylvania State Archery Association (PSAA), Cumberland Valley Archery League (CVAL), Penn Dutch Archery League, and the National Field Archers Association (NFAA).

THE FUTURE LOOKS GREAT FOR THE BEST SPORTSMEN'S CLUB IN CENTRAL PENNSYLVANIA!

CODE OF ETHICS

I will obey the rules of safe gun handling and will courteously, but firmly, insist that others with me do the same. I will obey all Association Rules, game laws and regulations and will insist that my companions do likewise. I will do my best to acquire marksmanship and hunting skills that demonstrate responsibility and good sportsmanship. I will support efforts to promote firearm safety and responsible firearm ownership, which can assure continued firearm ownership of firearms for future generations of America.

GENERAL RULES AND REGULATIONS

8. **Ice Fishing at your own risk. Leave nothing on the ice.**
9. No littering, use trash containers provided.
10. Use caution. **Keep Off** the overflow grate and inlet wall (dam)
11. Some portions of the pond bank drop off sharply when areas are slippery—use caution!
12. Obey posted pond closings.

CO-OPERATIVE TROUT NURSERY

We operate a trout nursery located off Sinclair Road in Mechanicsburg. Each year, the Mechanicsburg Sportsmen's Protective Association raises 6,000 to 7,000 trout in cooperation with the Pennsylvania Fish & Boat Commission for stocking in waters open to the public in the Mechanicsburg area. We purchase and raise 1,200 to 1,500 trout each year for stocking in the club pond and for use in our portable pond during the Children's Fishing Derby, and other club functions. Club members volunteer their time to feed and care for these fish. If you would like to assist, please contact any Officer or Director.

THESE RULES AND REGULATIONS HAVE BEEN ESTABLISHED FOR YOUR PROTECTION AND SAFETY. THEY MUST BE OBSERVED AT ALL TIMES. FAILURE TO COMPLY WITH THESE RULES IS SUBJECT TO MEMBERSHIP SUSPENSION.
